*I will be taking part in the triathlon in order to raise money for Tuesday sessions in the family room.*

The South Oxford Family Room at Grandpont is a community-led project set up in order to continue providing universal services to families as a result of the closure of our local Children's Centre. One of the principle services we provide is a drop-in session with professional support from Oxford Breastfeeding Support who help with breastfeeding for new parents: a session that runs all Tuesday morning. This provides vital post-natal support in the community for a large number of families from all over Oxford: it is attended by over 500 families per year.

*By sponsoring me you will help support Tuesdays at the Family Room to offer this vital service with Oxfordshire breastfeeding support plus stay and play sessions making sure babies and young children thrive and grow.*

Thank you for supporting the South Oxford Family Room!
